### How to Apply as a Promoter

Step-by-Step Tutorial | [tinitribe.manus.space](https://tinitribe.manus.space)

This tutorial shows you how to submit a **Promoter Application** on TiniTribe — Eswatini's premier Influencer Affiliate Network. Once approved, you'll gain access to campaigns where you can earn **60% commission** by promoting brands across your social media channels. Follow each numbered step below using the screenshots as a guide.

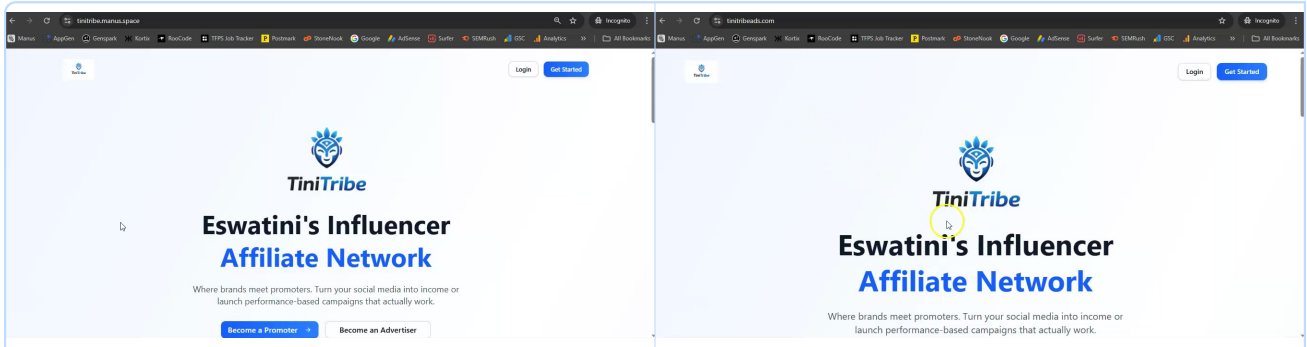

#### Before you start

An active social media account (Facebook, Instagram, TikTok, or YouTube) • A valid email address • Your phone / WhatsApp number

## 1 Go to the TiniTribe Homepage

Open your web browser and navigate to **tinitribe.manus.space** or **tinitribeads.com**. You will see the TiniTribe homepage displaying 'Eswatini's Influencer Affiliate Network'. At the top-right corner are two buttons — **Login** and **Get Started** — and in the centre of the page you will find the **Become a Promoter** and **Become an Advertiser** call-to-action buttons.

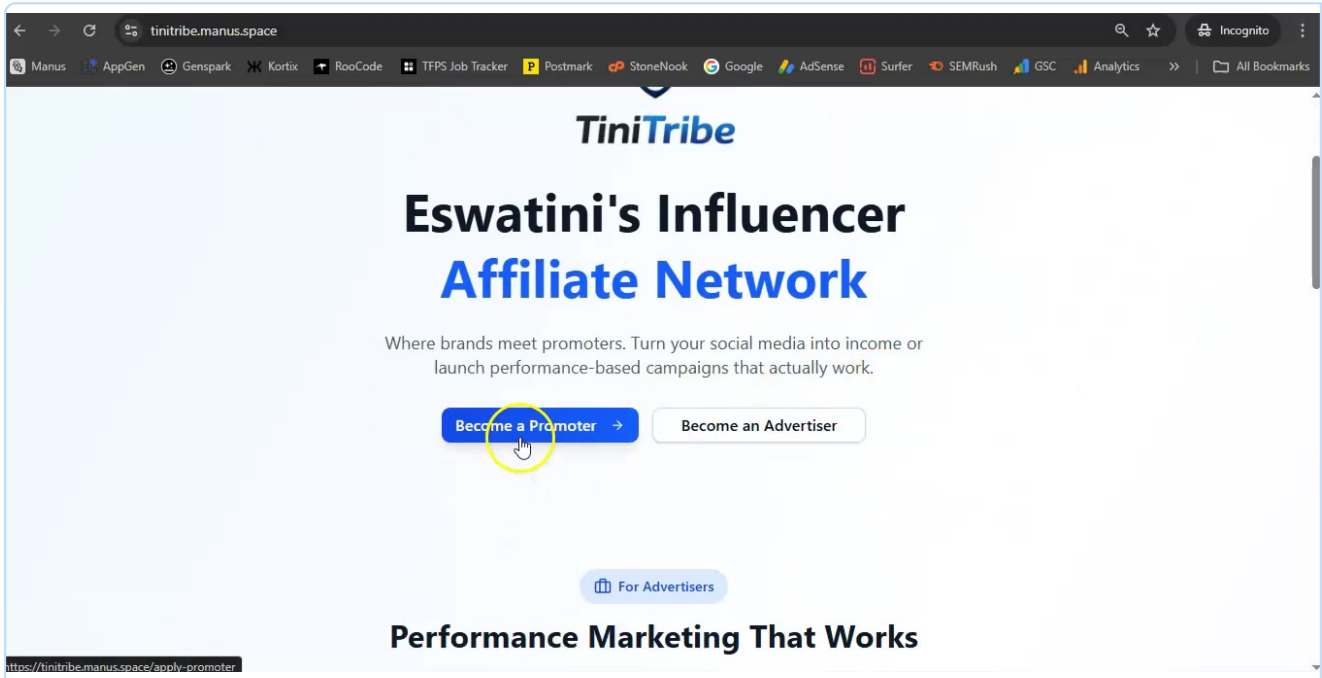

■ *Tip: If you already have an account, click Login first so your details are linked to your profile.*

## 2 Click 'Become a Promoter'

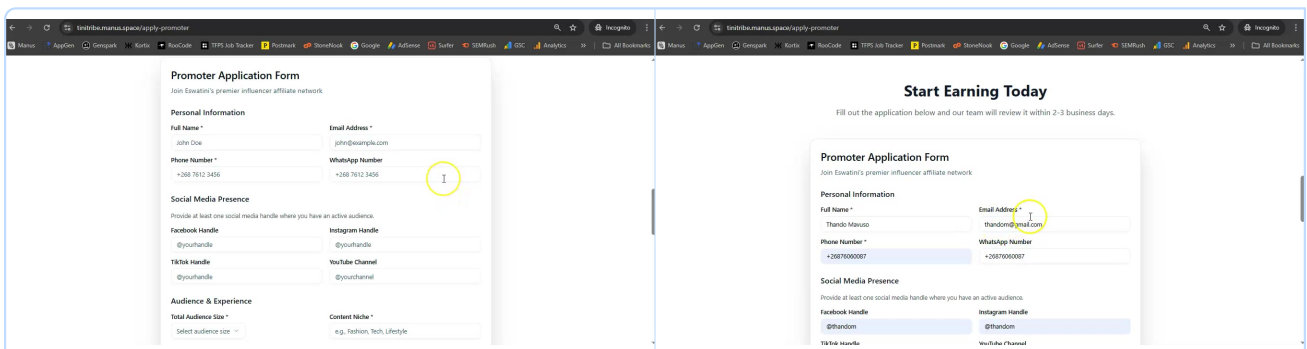

Scroll down slightly until you see the blue **Become a Promoter** → button alongside the outlined **Become an Advertiser** button. Click **Become a Promoter**. The browser will navigate to [tinitribe.manus.space/apply-promoter](https://tinitribe.manus.space/apply-promoter) where the application form is hosted.

■ *Tip: The status bar at the bottom of your browser will preview the URL before you click.*

## 3 Review the Application Form

The page heading reads **'Start Earning Today'** with the sub-heading *'Fill out the application below and our team will review it within 2–3 business days.'* The **Promoter Application Form** card below contains three sections: **Personal Information**, **Social Media Presence**, and **Audience & Experience**. Fields marked with an asterisk (\*) are required.

All four fields are required for a complete application.
